Senior Designer  
DiLeonardo

MILLENNIUM HOTEL, RIYADH

RESTAURANT IN SANYA, CHINA

**NOTABLE PAST PROJECTS:** Millennium Hotel & Furnished Apartments, Riyadh, Saudi Arabia; Aloha Hotel & Apartments, Sanya, China; King Abdullah 5-Star Hotel, Al Madinah, Saudi Arabia; St. Regis Hotel, Chengdu, China; Rosh Rayhaan by Rotana Hotel, Riyadh, Saudi Arabia

**CURRENTLY WORKING ON:** Hilton Al-Jubail, Riyadh, Saudi Arabia; Dragon Palace mixed-use development, Anji, China; The Address Spa, Dubai

**FAVORITE CAREER MOMENT:** Working at our Hong Kong office for several months. I was able to expand my world view, try something new and get out of my comfort zone.

**GIVEN A SKY'S-THE-LIMIT BUDGET, I'D DESIGN:** A boutique hotel in Providence, R.I., where DiLeonardo is based. Exploring the rich legacy of American architecture and rejuvenating an abandoned historic building into a pulsing slice of the city would be wonderful.

**BIGGEST ACHIEVEMENT ON THE JOB:** *Finding balance between the common and the uncommon. The best designs come from unexpected ideas finding a place in a well-conceived and thoughtful plan. When you find that sweet spot, magic happens.*
